APPROVED by
the Chief Archivist of Lithuania
Order No.VE-30 of 8 July 2022

DESCRIPTION OF THE PROCEDURE FOR THE PROVISION OF PAID SERVICES OF THE STATE ARCHIVES

I CHAPTER GENERAL PROVISIONS

1. Description of the procedure for the provision of paid services of the State Archives (further on – Description) determines the procedure of the provision for the paid services of the State Archives, indicated in the List of Fees for Paid Services of the State Archives, approved by the Order of the Minister of Culture of the Republic of Lithuania “On the Approval of the List of Fees for Paid Services of the State Archives And the Description of the Procedure for the Provision of Paid Services of the State Archives” No.IV-605 of 7 July 2022, and allows for the cases, when those services are provided free of charge.

2. The concept of a “**document copy**”, which is used in the Description, corresponds to the concept, used in the Regulations for the Document Preparation, approved by the Chief Archivist of Lithuania in the Order No.V-117 of 4 July 2011 “On the Approval of the Regulations of the Document Preparation”.

Chapter II PROVISION OF PAID SERVICES

3. The State Archives shall provide the paid services on a first-come, first-served basis or on an urgent basis. The head of the State Archives or the person, authorized by him, (further on – Head of the Archives) may restrict the provision of services on an urgent basis due to the large volume of the services, provided on a first-come, first-served basis, or some other circumstances.

4. Paid services shall be provided by the State Archives to a person on the basis of the written application after the advance payment (covering the entire cost of the service or a part of it, when the final price is not known) had been made. The proportion of the advance payment for the services provided is established by the heads of the state archives.

5. The fees for the paid services, provided by the State Archives, are indicated in the List of Fees for Paid Services of the State Archives (further on – List), and approved by the Chief Archivist of Lithuania. It indicates the name of the paid service, the form it is measured in, and the fee to be charged.

The fee for the provided paid services does not include bank charges for local or international bank transfers, postal charges and the price of the media for recording the digital content. The above mentioned additional costs shall be covered by the recipient of the service.

6. The fees, indicated in the List, shall be charged for the search of documents and the copies of the documents, preserved in the State Archives, and shall be applicable to the services provided on a first-come, first-served basis.

7. If an applicant requires the search for documents, included in sub-items 3.1.9, 3.1.10 and 3.2. of the List, and the application involves two different periods, the calculation of the total price of the service shall be based on the fee for the earliest period.

8. Document search shall be based on the provided personal information or the topic indicated by a person, and performed according to one object (location, person, organisation, etc.). The results of the search shall be presented with the reference data of the documents, preserved in the state archives and containing relative information.

In the case where the recipient of the service requests that the results of a document search

already carried out at his/her request be repeated, and no more than 5 years have elapsed since the original search for the documents, the State Archives shall apply the fees set indicated in Item 5 of the List of Fees.

9. Documents preserved in the state archives shall be copied only after the assessment of their physical state and the technical possibilities of the archives, while written analogous documents shall be copied after the assessment of their binding. When copying documents may aggravate their physical state, such documents shall not be copied.

If the documents, preserved in the state archives, had been digitised or microfilmed, the analogous copies of the originals shall not be made.

If the documents, preserved in the state archives, had been digitised and made available to the public by means of the Electronic Archives Information System, only digital copies with a higher resolution than those available in that system shall be produced at the request of the service recipient.

10. Calculation of fees for making copies of written analogous documents in the format bigger than A4 shall be based on the number A4 format pages in the original document. The service of the arrangement of images shall be provided for additional fee.

11. Digital content ordered by a service recipient shall be recorded using the brand-new media devices (in the intact original packing) or those purchased in the state archives.

12. Documents shall be copied only using the equipment of the state archives.

13. The state archives, which do not have technical possibilities to provide services indicated in the List, shall not provide these services.

14. State archives shall not produce copies of the documents preserved, the use of which is restricted by the law or the transfer contracts. Copying such documents is stipulated by the law or by the provisions of the transfer contracts.

15. State archives shall provide the following services free of charge:

15.1. services, indicated in sub-items 3.1.1–3.1.10.2 of the List, when such services are related to the implementation of personal obligations and legitimate interests:

15.1.1. to persons who are recipients of the social benefits in accordance with the Law on Cash Social Assistance for Low-Income Families (Single Residents) of the Republic of Lithuania and carry the document certifying their status. This document is issued by the local municipal administration of their declared residence place. When a person does not have a declared residence place on the territory of the local municipal administration he lives, the document is issued by the administration to certify that the person is a recipient of the social assistance;

15.1.2. to state-dependant inmates of residential social care institutions, who produce the document, issued by the head of such institution or the person authorised by him, certifying that the person is dependent on this institution;

15.1.3. to persons with work capacity reduced to 0–25 percent, also to people who have reached the retirement pension age and have a high level of special needs and carry the disability certificate, or to legal guardians of such persons, when the search for some documents is necessary to ensure the rights and the interests of the persons in their custody, upon presentation of the relevant certificate;

15.1.4. to other persons who apply to the state archives via their countries' diplomatic missions in Lithuania in the cases stipulated in the international treaties of the Republic of Lithuania;

15.1.5. to national and international humanitarian associations.

15.2. services in the List under Sub-item 3.1.2 to persons, registered with the Employment Service under the Ministry of Social Security and Labour of the Republic of Lithuania, upon presentation of the document certifying their status of an unemployed person;

15.3. services of document search, preserved at the state archives, entered in the List under sub-items 3.1.1–3.1.10 to a public administration body, if it submits a request for the document search or for the information these documents contain, when such information is required to perform its functions as provided by the law and other legal acts.

16. Free of charge services, indicated in Item 15 of this Description shall be provided on the terms that are defined in the Law on Public Administration of the Republic of Lithuania Article 10

Part 4.

17. The services indicated in Items 1, 2, 3 and 5 of the List of Fees, if they are of a particularly high volume (requests for the preservation of more than 5 linear metres of documents, for the organisation of more than 100 files or for the organisation of a particularly high volume of files, for the identification of more than 5 objects of the retrieval service or for the covering of a large period of time or territory, for the production of a large number of copies (more than 100 copies), etc.), are provided by State Archives on the basis of contracts agreeing on the procedures, terms, rates, remuneration, and other conditions of the provision of services.

The rates for services shall be set in the contracts on the basis of the type, form, quantity, physical condition and use of the documents, as well as the costs incurred by the State Archives in providing the specific service. This point shall also apply to the persons referred to in Item 15 of this Description.
